

- ***MEALS ON WHEELS***

One of the Corporal Works of Mercy asks us to feed the hungry and so we provide food and a little socialization to those in need of meals beyond the community of St. Elizabeth Seton to the Porter County Community.

Five days a week, caring volunteers hop in their cars at midday and deliver meals to clients in Valparaiso, South Haven, Chesterton, Portage, Hebron, or Kouts. Volunteers pick up carefully prepared meals and transport them in special insulated carriers to the clients on their routes (from 8-10 per route). Delivery takes approximately 1½ to 2 hours to complete, with volunteers usually committing to one day a week.
